Report of Principal and School Improvement Council

Swansea Primary School experienced tremendous growth during the 2007-2008 school year. Through the use of instructional coaches, we were able to continue building the capacity of our faculty in the area of professional learning communities. Teachers, along with our coaches, are meeting needs of our students in all areas, with an emphasis on literacy and numeracy. As recipients of the Exemplary Writing Award, we understand the need for children to write in all areas of their education. Our literacy coach facilitated planning with each grade level in order to focus their efforts on writing through intentional lessons and abundant practice. Our mathematics coach was integral in developing excellent formative and summative assessments with teacher teams.

Swansea Primary School strives to be a community school by involving parents in all the decisions that are made. We instituted a volunteer parent program that enables parents to work directly with students in classrooms, while giving teachers time for collaborative planning. Our Parents and Teachers Organization (PTO) became a very active part of our school, and our Promoting Achievement, Learning, and Success (PALS) program provided parents with tools to help their children in the areas of reading, writing, math, and social/emotional development at home. We served all three and four-year-old child development students who registered. We also received the Red Carpet Award for our positive attitude toward assisting parents and the general public.

Excellent teachers and staff members provided students at Swansea Primary School the experiences needed to create readers and writers. We are retaining all staff members for the coming school year and look forward to even greater growth as teachers continue the journey taken this year.

As we look forward to the 2008-2009 school year, our goals are to continue to grow as a faculty in the areas of literacy and numeracy, build relationships within our community, build our base of parent volunteers, and strengthen and grow our PTO. With outstanding parent support of initiatives and programs already in place, Swansea Primary School will truly serve the needs of our number one priority: our students.
